"I was delighted to be able to help out the MA for its important 30th anniversary show, especially since I was present at the first show as well !! I am very grateful to exhibitors for being so kind to me when they must have been really disappointed not to see Richard Thomas. I do hope that everyone could see just how much I was enjoying my day out. I was really pleased with the quality and temperament of the dogs entered and particularly enjoyed the Junior Bitch class of delinquent teenagers which took me back to my days in the classroom ! I had a wonderful day and I hope that the exhibitors and spectators also enjoyed their day."
